

A Religion and Worldviews Approach to RE

National Statement of Entitlement

The NSE is the key mechanism for supporting an RW Approach. It is a benchmark for standards and a pedagogical tool for the selection of content and of appropriate teaching and learning approaches.

Content

The NSE presents a realm of religion and worldviews to explore (strands a-f)

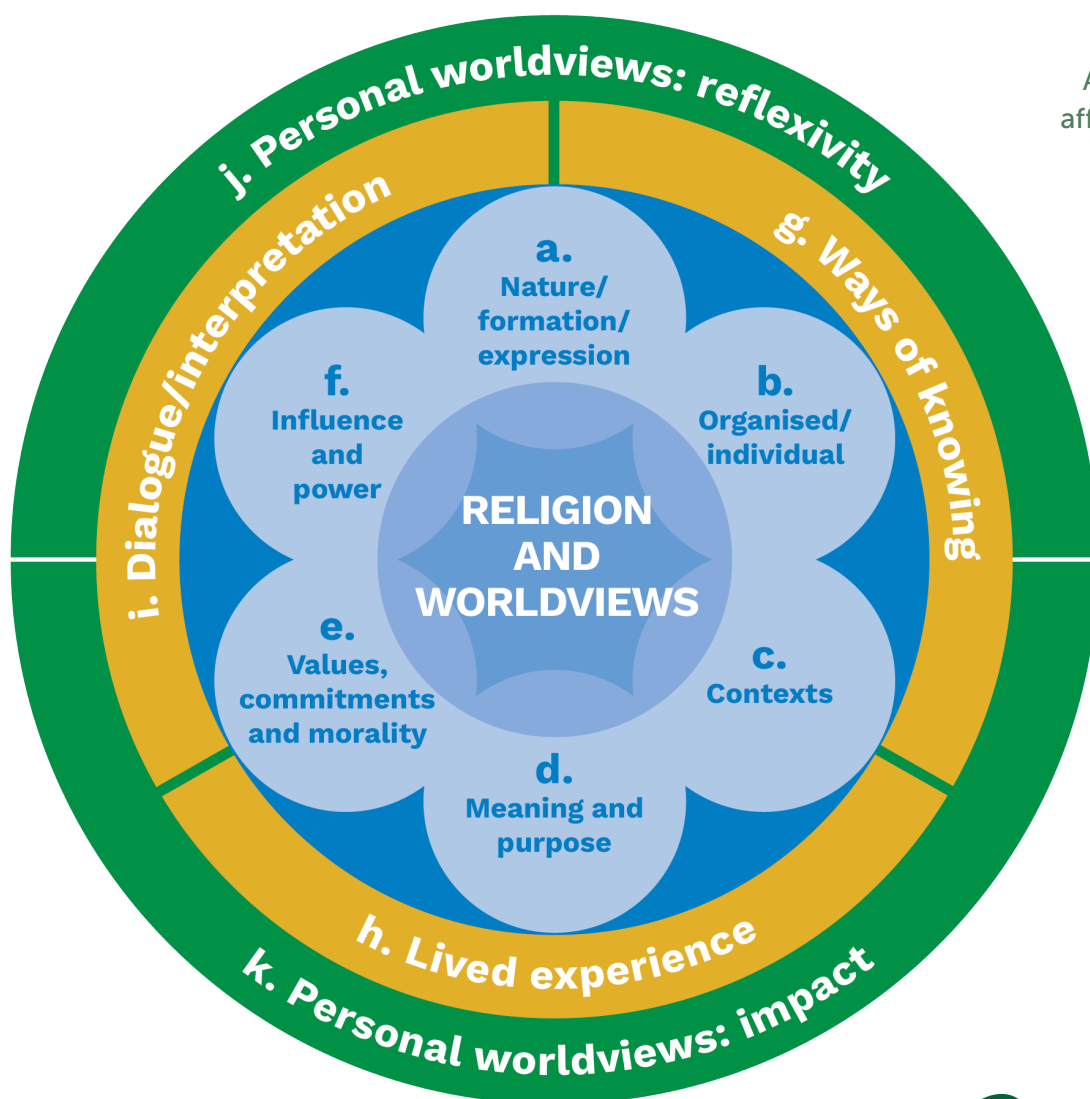

Engagement

As with any exploration, you need to prepare; you need to choose the right tools for the job and a suitable route (strands g-i).

Position

But your exploration is always going to be undertaken from your own position – i.e., from within your own worldview (strands j-k).

Awareness of how position affects your exploration, and how your journey affects your own worldview, is an integral part of the exploration, and something to draw attention to throughout the journey – not just something to reflect upon when you get back home.
